

## Amana Colonies Historic Revitalization Grant Application

Applicant Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Telephone: \_\_\_\_\_

Project Address (include village); \_\_\_\_\_

1. **Do you own the building?** \_\_\_Yes \_\_\_No
2. **What is the ACLUD zone for this property? (circle one)**    HP-R    HP-C    HP-C    HP-I
3. **Was this structure or the structure on which the feature appears built before 1932?** \_\_\_Yes  
\_\_\_No

4. **Do you currently have an active Paul Bruhn grant project for this property?** \_\_\_Yes \_\_\_No  
If yes, have you received a Certificate of Completion? \_\_\_Yes \_\_\_No

Applications for projects that do not comply with the Historic Architectural Guidelines and the Secretary of the Interiors Standards will be rejected.

Questions regarding the completion of the application may be addressed to the ACLUD administrator, however; the administrator is unable to comment on the likelihood of an award.

**Please answer the following questions. Append additional pages as necessary.**

The more complete your narrative, the better as this is your opportunity to explain your project to the Review Committee. You may submit physical or digital copies of pictures. If you would like to provide digital copies, please upload to the application link provided here  
(Number of pictures \_\_\_\_\_)

1. Please explain how the restoration/rehabilitation contributes to revitalization within the Amana Colonies. The rubric that will be used in evaluating and scoring applications can be found on the Amana Colonies Land Use webpage.
  - a. Will restoration/rehabilitation of the structure help stabilize a building that was at high risk of demolition? How will the restored/rehabilitated structure be used?

- b. Will restoration/rehabilitation of the structure enhance tourism within the Amana Colonies? How?
  - c. Will the restored/rehabilitated structure provide for additional public or community space within the Amana Colonies?
2. What is this structure's/feature's cultural importance.
- a. What role did the structure play in historical Amana?
  - b. How does it reflect historical Amana architecture? Include historic pictures of the structure/feature.
3. Please describe if you will be working on each of the following components and what work you will be doing.
- a. Windows? \_\_\_Yes \_\_\_No
    - i. Number of windows? \_\_\_\_\_
    - ii. Will you be repairing or replacing the windows or both? \_\_Repair \_\_Replace
    - iii. Provide the size of each window opening that you will be replacing/repairing. Include at least one picture of the windows and their locations with regard to the side of the house (there can be more than one window in a picture) and indicate whether you are repairing or replacing it.  
(Number of pictures\_\_\_\_\_)
    - iv. Please specify the materials to be used. If replacing windows provide manufacturer and specifications from manufacturer, if repair indicate who will be making the repair and what materials will be used.
  - b. Doors? \_\_\_Yes \_\_\_No
    - i. Number of doors? \_\_\_\_\_
    - ii. Will you be repairing or replacing the windows or both? \_\_\_\_\_
    - iii. Provide the size of each door and what you will be doing to repair/replace it. Include a picture of each door you will be repairing/replacing.  
(Number of pictures\_\_\_\_\_)

iv. Please specify the materials to be used. If replacing windows provide manufacturer and specifications from manufacturer, if repair indicate who will be making the repair and what materials will be used.

c. Siding? \_\_\_Yes \_\_\_No

i. Where will the siding be applied? Include pictures of the application areas.  
(Number of pictures\_\_\_\_\_)

ii. What is the current type of siding?

iii. What siding application will be used?

Provide the specifications of the siding to be used including the company, type, and color. A sample of the siding application is optional but encouraged.
